

BRAND NEW **Mini Golf Fund Raising Program**

SPORTSshare 

BENEFITS:

#1 Profit margins: Most Managers/Coaches won't even consider a program if it's less than 50% Net Profit. Our new "SHARED PLAN" is tested with sports teams, marching bands, and many other programs...and evaluated to return an average of 70%-NP, based on just a moderate effort!

- ***HOW IT WORKS: Our fee to deliver our 9 Hole Portable Golf Course to your school is \$1,600.00. This fee is shared among 4-10 groups who want to use it to raise funds. (EX: 4 Teams participating will each pay just \$400.00)***

#2 - There is no merchandise to handle. With many other fundraisers, keeping inventory records, safe storage and absorbing the cost of lost/stolen goods takes up time, space & money.

#3 - Our program is a one-day fun event. Portable Golf Solutions brings our 9* Hole Portable Mini Golf Course to your location and saves you money through a unique Team Building Event Program!

#4 - We are professional event planners and will assist all type of event committees with format, instructions/ideas for filling team foursomes, and with forms, scorecards, etc. The PGS Event Manager will be glad to help customize an event to suit the situation. *(Ask us about our Pledge Plan)**

#5 - ANYONE can play mini-golf! In addition, multiple add-on strategies bring in more money and add to the fun and excitement!

#6 - It's an opportunity to create an Annual Signature event that can be expanded and enhanced every year! Funds will come from "friend" raising! Our mini golf tournaments have proven to be a good bonding experience!
