SPECIAL TESTIMONIAL

TAMPA BAY SPORTS COMMISSION

Bob Gaudreau
Media Golf Productions, LLC
Portable Golf Solutions

Dear Bob,

On behalf of the Tampa Bay Sports Commission, thank you for your efforts in producing a well executed event. Portable Golf Solutions provided our organization with a creative and interactive entertainment option that was a huge hit on a recent all-important NCAA site visit. From the initial call to the event execution, Portable Golf Solutions displayed tremendous professionalism and were great to work with. Most importantly, they listened to what we needed and were able to tailor a specific, cost effective package to fit our needs. The portable putting greens provided were of the highest quality, durable and easy to setup and breakdown. I look forward to working with Portable Golf Solutions again.

Sincerely,

Jason Aughey

Dear Bob:

I have finished sending out notes to all of the many individuals and organizations that supported The Hillsborough Educations Foundation's "Play Fore Education" golf tournament. I also wanted to include a special recognition of you for your guidance and leadership. As the presenting sponsor for our second year we could not be more pleased with the tournament's results and the important role you played in helping us achieve our goals.

We had several objectives in taking on the presenting sponsorship role of the Foundation's major fundraiser:

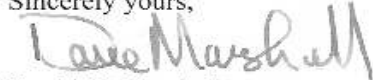

- Of course the primary objective was to raise money for the Foundation.
- Secondly we wanted to involve many of our people in the planning and active leadership of the tournament.
- We also wanted to make a strong statement about the importance we place on being involved in our community.

With your guidance and patience we accomplished all three both goals. I believe that the total amount of money raised was around \$220,000 for the two years we have sponsored. The way you managed to involve all of our folks is to me priceless.

We had high expectations for you after that first meeting last year. You exceeded those expectations. Frankly I wouldn't want to undertake another golf tournament without you leading us and keeping us focused on our objectives.

Please feel free to pass this letter along to anyone who may be considering you as the organizer of their tournament. I'll take their call and speak candidly about our experience with you. Let's get ready for next year!

Sincerely yours,

David G. Marshall

Keller Williams Realty Mini Golf Festival Raises \$5,000.00

Keller Williams Realty of South Tampa

October 24, 2008

Mr. Bob Gaudreau – President
Media Golf Productions, LLC
1402 Monte Lake Drive
Valrico, FL 33594

Dear Bob,

Now that things have settled down, Keller Williams Realty South Tampa would like to thank you for all your help with our first "Charity Miniature Golf Event". We held the

event to raise money for Harris Armstrong, who is the son of our agent, Jan Armstrong. Harris has brain cancer and has undergone several surgeries. The funds raised will help with the medical bills the family has incurred.

With your guidance, we were able to reach our goal in raising over \$5000. We would like to thank you and Richard for your help and patience with our group to make the event a success. This was our first fund raiser on a large scale and would not have been a success without the help of both of you.

Keller Williams Realty South Tampa looks forward to working with Media Golf Productions on future fund raising events.

Thank you,

Marta Vega
